

Change Notice

KP & IS Series

Change of Material & Plating on KP & IS Stationary Contacts; Change of Plating on KP & IS Switch Terminals

Type of Change:

- Engineering Part Number
- Product Appearance

All models of KP01 and KP02 Pushbuttons and all models of IS Series Pushbuttons will have a modification to the material and plating of stationary contacts, as well as to the plating of switch terminals. The change will effect all standard and custom products for both KP and IS Series. This **does not include** the IS Displays or the IS Rocker.

KP01 & KP02 Series

IS Series

KP01 & KP02 Series & IS Series			
		Before Change	After Change
Stationary Contacts	Material	Gold with Copper Alloy	Copper Alloy
	Plating	N/A	Gold
Switch Terminals	Plating	Tin	Gold

Notes

There are no changes to the switches' dimensions or specifications.
Contact the factory if more details are needed.

Effective Date

Changes to KP Series Pushbuttons and IS Series Pushbuttons will be effective with April 2014 production.
