## Changes to Location & Production for S Toggles

Type of Change:

- Engineering     Part Number  
 Product         Appearance

Changes for S Toggles

I. The location of production will change for specific S Toggles from the Japan factory to the Philippines factory. The factory name and place of manufacture will no longer appear on the bottom of switches, and the lot number on the side of switch cases will have a dot mark above the second digit. The box in which the switches are packaged for shipping will read "PHILIPPINES FACTORY" instead of "JAPAN FACTORY." All of these modifications will apply to standard, custom and UL/CSA approved products.

Example: S303	Bottom of Switch	Lot Number	Shipping Box
<b>Before Changes</b>	Factory Name and Location on Bottom of Switch Case 	Example of Lot Number  66	
<b>After Changes</b>	Factory Name and Location <b>Removed</b> 	Example of Lot Number with <b>Dot Mark Above Second Digit</b>  6 <sup>•</sup> 6	

**Notes**

There are no changes to the switches' dimensions or specifications.  
 The location of the Lot Number on switch case may vary depending on the part number.  
 Contact the factory if more details are needed.

S Toggles Affected by Location & Production Changes					
S301	S302	S303	S305	S308	S309
S301T	S302T	S303T	S305T	S308T	S309T

**Effective Date**

Changes to S Toggles will be effective February 2017.

## Addition of Logo & UL Factory Code for S Toggles

Type of Change:

- Engineering     Part Number  
 Product         Appearance

Changes for S Toggles

2. Specific S Toggles will transition from no logo to the updated one as shown below. The new logo will appear on the switch case for standard, custom and UL/CSA approved products.

Logo Change on Switch Case	
Before Change	After Change
No Logo	Updated Logo

S Toggles with New Logo					
S301	S302	S303	S305	S308	S309

Type of Change:

- Engineering     Part Number  
 Product         Appearance

3. S Toggles with UL approval will have a change on the switch case to include both standard and custom devices. Previously, the UL symbol appeared on the case without a factory code. After the change, the code 080 will appear next to the UL symbol. The table illustrates the difference.

UL Factory Code Change	
Before Change	After Change
UL Approval & No Factory Code	UL Approval & Factory Code Added

S Toggles with New UL Factory Code					
S301/U	S301T/U	S302/U	S302T/U	S303/U	S303T/U

**Notes**

There are no changes to the switches' dimensions or specifications.  
 The location of the UL code on switch case may vary depending on the part number.  
 Contact the factory if more details are needed.

**Effective Date**

Changes to S Toggles with new logo and UL with factory code will be effective February 2017.
